

QDESK

School desk for all schools and universities

Qdesk®, is an award winning, patented one-piece polyethylene school desk - a first of its kind anywhere in the world. It complies with international standards for school desks. It has soft contoured lines. It provides students the ideal sitting and writing support and maximum comfort for more than 6 hours per day, 180 days a year. Qdesk® substitutes wood by polyethylene, contributes to forest preservation. It is also fully recyclable at the end of its useful life
